

# CURRICULUM VITAE

## J. Muysken

---

Name	Muysken, Joan	
Date of Birth	18 December 1948, Delft (the Netherlands)	
Nationality	Dutch	
Office	Universiteit Maastricht School of Business and Economics Department of Economics P.O. Box 616 6200 MD Maastricht The Netherlands tel: +31-43-3883808/21 fax: +31-43-3884150 email: j.muysken@maastrichtuniversity.nl	
Home address	Laan van Brunswijk 79 6212 HD Maastricht The Netherlands tel: +31-43-3500309	
Civil status	Married to Anne Marie du Saar three children: Joan, Fransje, Coen	
Education	1966-1972 7 July 1972	Economics, University of Groningen Msc (drs.) Quantitative Economics Majors: Mathematical Economics Macroeconomics
	5 April 1979	PhD in Economics, cum laude University of Groningen Thesis: Aggregation of putty-clay production functions
Career data	1972-1984 since April 1984	Assistant and Associate Professor in Economics University of Groningen Full Professor in Economics Universiteit Maastricht
Administrative functions	1992 – 1994 Several times 1998 – 2002	Dean of Faculty of Economics and Business Administration Head of Department of Economics University Board UM
External boards	1986-2005  2006-2010	Board "Netwerk Algemeen en Kwantitatieve Economen (NAKE), chairman 2000-2005  Board "Economen voor Vrede en Veiligheid" (EVV)
Editorships	Associate editor: Maandschrift Economie/Kwartaalschrift Economie Recherches Economique de Louvain	

## Short Biography

Joan Muysken is Full Professor of Economics at the Faculty of Economics and Business Administration, Universiteit Maastricht since 1984. He had many administrative positions at the Faculty, amongst which dean of the Faculty of Economics and Business Administration. He studied quantitative economics at the University of Groningen and obtained his PhD degree from the University of Groningen on the aggregation of production functions. Joan was a visiting researcher at the University of Oslo, SUNY Buffalo (USA), the Catholic University of Louvain-la-Neuve (Belgium) and the University of Newcastle (Australia). He is also Director of CoffEE-Europe (see <http://www.fdewb.unimaas.nl/algec/coffee-europe>). Joan published in international journals and books on various aspects of labour economics, unemployment and wage formation and theories of economic growth.

## List of Publications
